Product Description

Mini Globe LED Bulb

G45 LED light bulb is a LED globe bulb with an outer diameter of 45MM. It features multiple characteristics and application scenarios and occupies a certain share in the lighting market. It can create a unique lighting atmosphere and has energy-saving features at the same time, meeting the environmental protection requirements of modern lighting.

Advantage

- Energy Saving

Compared with traditional bulbs, G45 LED light bulb have lower power consumption while providing the same lighting effect, which can effectively reduce energy consumption and save electricity costs.

- High Color Render Index

E27 mini globe bulb with soft white cover, and it has a high color rendering index of 80, which means it accurately depicts colors and make colors look more lifelike and vibrant, making it a good choice for both residential and commercial lighting.

- High Lumen

LED lights can provide sufficient brightness to meet the lighting needs of various rooms indoors, such as bedrooms, living rooms, kitchens, etc. Moreover, it has high energy efficiency. The light of G45 E27 LED bulb is stable and will not have obvious changes due to voltage fluctuations.

- Good heat dissipation

The E27 mini globe bulb has a small lamp body and a reasonable structural design. The material of the lamp body is plastic-coated aluminum, and the material of the lampshade is PC. It has a good heat dissipation effect and ensures a longer lifespan.

- Long lifespan

With a service life of 15000 hours, the LED lamp is particularly energy-saving compared to an incandescent lamp or halogen lamp.

- Easy to install

G45 E27 LED bulb have Standard E27 lamp base, you just need to screw bulbs into the empty sockets within seconds, no any tools needed. We can also match E14 & B22 lamp base for the G45 bulb, which makes it more convenient for you to install.

Todaybulb

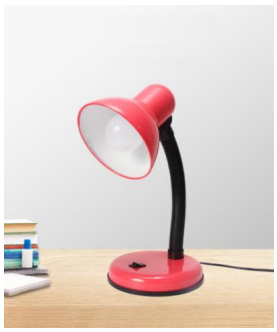

Mini Globe LED Bulb

Feature

- ✓ No flicker, eye protection
- ✓ Same size to G45 incandescent/halogen, easy replacement
- ✓ High Brightness SMD LED Chips
- ✓ Long Lifetime 15000hrs
